Submits proposals for training some women every year in medicine & Surgery by the grant of enhanced Scholarships to meet the requirements of the medical service in the matter of Lady medical officers and Subordinates:-

(3) The present Communication appears to be in reply to this office No ~~980 / med 29-17-1~~ 10101-3/Gen 5-16-35 dated 14-6-17 though it is not expressly stated to be such. No proposals have yet been received as regards the appointment of a Lady Organizer. The administrative Deptt have already recognized the necessity for the grant of enhanced rate of Scholarships and training the required no of women both for the University Course & the Sub Asst Surgeons Course. Only the financial Deptt be consulted as to the ways & means for meeting the extra Cost involved by the Scheme. Submit for orders.

has proposed that 2 scholarships for the Subassistant Surgeon class and 2 for the graduate course may be reserved for the first year. He has however fixed the Subassistant Surgeon Scholarship at Rs 15/- p.m. for 1st year. At this rate of Rs 20/- p.m. may be adopted for all the 4 years as Rs 15/- would not be a sufficient inducement for the class of lady candidates whom it is desirable to encourage for taking up a rather long and trying course.

(5) If the proposals of the D. Surgeon are accepted with this modification necessary provision may be made in the next budget of next year as it is too late to do anything this year. The Senior Surgeon may meanwhile advertise for candidates or put himself in communication with the heads of girls High schools & colleges in the State for inducing local lady candidates to take up the course.

(6) Asst. Surgeon and I. S. of Edn. may be separately reminded as regards the appointment of lady organiser referred to in para 13 of the linked file.

No financial objection to suitably raising the Scholarships if the present rates are considered insufficient to attract the desirable candidates. The cost of the scholarships for the Lab: Assts. Surgical Course is being met out of the Medical Hospitals, and that for the higher medical degrees from the Education Hospitals

As regards the latter the Hy. Secy. seems to be of opinion that a rate of Rs 35 instead of 30 as proposed by the Surgeon Genl. is insufficient.

R e a d:-

Letter No. 15172/596 dated 12th January 1917 from the Inspector General of Education in Mysore submitting copies of an application from Miss Camilla Samuels who was granted a medical scholarship in Government Order No. 2123-4/Edn. 5-16-13 dated 11th Septembbr 1916, requesting that the value of her scholarship may be raised and books supplied to her free of cost, and of letter No. 2226 dated 22nd November 1916 from the Senior Surgeon stating that as the present value of the scholarship, Viz., Rs.25 per mensem is not sufficient to cover half the actual expenses of the students it may be raised to Rs. 40 in the case of male students and to Rs. 50 in the case of female students, and recommending that in the case of all lady candidates the value of the medical scholarships may be raised to Rs. 35/- per mensem each.

O r d e r--No. 1111-3/Edn.

Dated Bangalore, the 1st June 1917.

As a special case Government are pleased to enhance the value of the scholarship granted to Miss Samuels from Rs.25 per mensem to Rs.35 per mensem with effect from the date of the order. The additional cost during the current year should be met by reappropriation of the sanctioned grants of the Education Department in the budget of 1916-17.

From

Rajakarya Pravina

Rao Bahadur T. V. Arumugum Mudaliar, Esq., M. B., C. M.,

Senior Surgeon with the Government of

H. H. the Maharaja of Mysore, Bangalore.

To

The Secretary to the Government of

H. H. the Maharaja of Mysore,

General Deptt., Bangalore.

Sir,

I have the honor to forward herewith a statement showing the requirements of the Medical Service in the matter of Lady Medical Officers and subordinates, from which it will be seen that 12 ladies of the Officer's grade (with University qualification), 10 with Apothecary qualification and 8 with Sub Assistant Surgeon's qualification, are required for the several female Medical institutions. Of the existing 7 officers, 10 Apothecaries and 5 Sub Assistant Surgeons, 3 officers, 3 Apothecaries and 1 Sub Assistant Surgeon are expected to retire from the Service in the usual course within the next 5 or 10 years, so that we have to secure the services of 8 Officers, 3 Apothecaries and 4 Sub Assistant Surgeons. As there is no separate training course for Apothecaries, we shall have to get 11 ladies -- trained for the University course (L. M. & S., or M. B., B. S., Degrees).

2. At present lady candidates desirous of qualifying themselves for the Medical profession are, on their agreeing to serve the State after obtaining their qualification, given scholarships at the rate of Rs. 12/- per mensem for the 1st year and Rs. 15/- for the subsequent three years, for the Sub Assistant Surgeon's course, and at the uniform rate

Subject.

Suggests the raising of the rates of scholarships now given to lady candidates from Rs.12 amd 15 to Rs.15 and 20 in the case of pupil sub Assistant Surgeons and from Rs.25 to Rs.50 in the case of those undergoing the University Course in Medicine.

of Rs.25/- for the College course.

3. So far, our Lady scholarship holders have all been outsiders and, with/one or two exceptions, have come from the Christian Community and local Indian ladies of other communities have not come forward to avail themselves of the facilities now offered by the Government.

4. With a view to induce local Hindu ladies of -- character and education to accept Medical scholarships, I have the honor to propose that the rates of scholarship for the Sub Assistant Surgeon's course be raised from Rs.12 and Rs.15/- to Rs. 15/- and Rs.20/- respectively, and that for the University course from Rs.25/- to Rs.50/-.

5. If two lady candidates for the Sub Assistant Surgeon's course and two for the University course are to be sent as a beginning, the cost for the 1st year will be:-

Sub Asst: Surgeon's course:

School fees @ Rs.36/- per annum	...	Rs. 72
Stipend @ Rs.15 x 2 x 12	...	" 360
Books and instruments Rs. 100 x 2	...	" 200

University course:

Rs. 50 x 2 x 12	...	" 1200
	Tot	-------
	Total	Rs.1832.

6. I submit the proposal for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Senior Surgeon.
